

Acolyte

MASS RPG CARDS

Weapon - Pistol

Action: Ranged Attack

Range: 8
Accuracy bonus: 1D6
Damage: 2D6 versus Armor and Health;
additional 2D6 versus target with Barriers or Shields

Designed for asari resistance, the Acolyte's barrels fire advanced ammunition similar to that of an impact-triggered resonant warp bomb, which has a devastating effect on shields and biotic barriers.

Requires Adept, Soldier, Engineer, Vanguard, or Infiltrator Class

Executioner

MASS RPG CARDS

Weapon - Pistol

Action: Ranged Attack

Range: 6
Damage: 4D6

This weapon must be reloaded after each use

The first model was improvised by Blood Pack weaponsmiths using spare parts and scrap metal. This hand-held cannon fires a single high-impact armor-piercing slug.

Requires Adept, Soldier, Engineer, Vanguard, or Infiltrator Class

M-6 Carnifex

MASS RPG CARDS

Weapon - Pistol

Action: Ranged Attack

Range: 8
Accuracy bonus: 2D6
Damage: 3D6

A highly accurate and lethal pistol. An expensive but powerful weapon, its marketing materials feature a charging krogan with the slogan "Don't you wish Carnifex was at your side?"

Requires Adept, Soldier, Engineer, Vanguard, or Infiltrator Class

M-92 Mantis

MASS RPG CARDS

Weapon - Sniper Rifle

Action: Ranged Attack

Range: 20
Damage: 5D6

Add 2D6 to Accuracy if you have not moved during this turn or the previous turn

This weapon must be reloaded after each use

Manufactured by Devlon Industries, the Mantis is primarily used by police and planetary militia groups. Incredibly accurate at long range, but rate of fire is slow.

Requires Soldier or Infiltrator Class

Arc Pistol

MASS RPG CARDS

Weapon - Pistol

Action: Ranged Attack

Range: 8
Accuracy bonus: 1D6
Damage: 1D6

When making a single ranged attack in a turn, you may add +2D to Damage

An innovation of Admiral Daro'Xen, the Arc Pistol uses a nonvisible laser to ionize the air and create a path for a high-ampere electric shock. For a more damaging blast, it can be charged up.

Requires Adept, Soldier, Engineer, Vanguard, or Infiltrator Class

M-3 Predator

MASS RPG CARDS

Weapon - Pistol

Action: Ranged Attack

Range: 8
Accuracy bonus: 2D6
Damage: 2D6 + 2

Manufactured by Elanus Risk Control, the Predator is valued as a powerful, deadly, and relatively inexpensive weapon. While it is not generally deployed in the military, it's still very popular in the Terminus Systems.

Requires Adept, Soldier, Engineer, Vanguard, or Infiltrator Class

M-8 Avenger

MASS RPG CARDS

Weapon - Assault Rifle

Action: Ranged Attack

Range: 10
Damage: 4D6 + 2

If target within 5 Range, add 1D6 to Accuracy

A favorite of military groups and mercenaries alike, the Avenger has a reputation for being tough, reliable, easy to use, and easy to upgrade.

Requires Soldier Class

Adrenaline Rush

MASS RPG CARDS

Ability - Combat

Action: Power

Choose one:

Deal damage plus 4D6 to one opponent within range of Ranged Attack

Deal damage to up to three opponents within 8 range of Ranged Attack

Deal double Melee Damage to one adjacent opponent

The soldier learns to accelerate his reflexes, granting time to line up the perfect shot.

Requires Soldier Class
